**MT BUSINESS TECHNOLOGIES TEAM MEMBER TAPPED TO LEAD
MANAGED PRINT SERVICES ASSOCIATION (MPSA)**

Columbus, OH; December 10, 2010—MT Business Technologies, a leader in office document and workflow solutions, announces the election of team member Joe Barganier to serve as the President of the Managed Print Services Association (MPSA). The non-profit association's vision is to serve as a worldwide independent organization to facilitate profitable growth for all businesses in this sector. 'Managed Print Services' is the active management and optimization of document output devices and related business processes.

"As part of our commitment to the Managed Print Services industry, we are able to help shape the standards of this emerging industry while ensuring we are utilizing best practices to benefit our clients," explained Joe Barganier, Managed Print Services Consultant at MT Business Technologies. "Managed Print services, implemented properly is truly a partnership of hardware and software manufacturers, supplies and parts sources, along with MPS providers such as MT and the organizations we serve", noted Barganier.

Joe Barganier has spent 19 years in the printer and copier industry and worked for two printer manufacturers: QMS and Ricoh; and several copier dealers, including IKON Indiana and Van Ausdall and Farrar. In May 2007, he joined MT Business Technologies, Inc. in Ohio, where he developed and managed the Total Output Management® MPS offering. Barganier earned an MBA degree from the University of Alabama in 1991. He will continue to serve on the Board of Directors as Dealer Representative while acting as President.
